fa	•	Connect				
Advanced						
_	- 🩆 🛱	10:20 AM				

- 4) Verify 'FA' is chosen in the dropdown and click Connect.
- 5) When you connect to the FA VPN, you will be prompted for your username, password and second password. Enter your myBama user name and your myBama password. In the second password field, you can enter the word "push" to receive a push notification to your smartphone if you have the DUO app installed, or you can enter a passcode through the DUO app, via SMS text, or through the OIT self-service feature. Additional instructions for using DUO available under the OIT DUO page.
